There was nothing the matter with the clothes except as indicated, and if the advertiser could find a customer whom the clothes would fit, that customer would get a bargain. It often tomer would get a bargain. It often happens that in buying Life Insurance, the agent either deliberately or through ignorance, furnishes the insured with a misfit. An agent who knows his business, and has other interest in his calling other than the size of the commission, always makes it a rule to furnish those to whom he it a rule to furnish those to whom he sells insurance as near a perfect fit as the company he represents has to offer. For instance, if the prospect is, say 40 years or older, and thinks he wants a limited payment life or an endowment policy, and the agent knows, and he should know, that an ardinery life centrest would fit him. ordinary life contract would fit him better, he at once undertakes to show him wherein it is to his interest to buy the cheaper contract. I have done this several times and have also failed to convince several times and have afterwards been told by those who did not follow my sugestions that they made a mistake. MEN'S HATS-STETSON and CHESTERFIELD Correct in Style, Shape, Shade

satisfaction.

NO MAN IS THOROUGHLY WELL DRESSED UNTIL HE HAS A HAT THAT IS IN GOOD STYLE AND THAT "FITS" HIS PARTICULAR STYLE OF PERSONAL ARCHITECTURE. THE HAT THAT WOULD JUST SUIT ONE MAN, WOULD BE ENTIRELY UNSUITED TO ANOTHER. KNOWING THIS FACT, WE BOUGHT SUCH A VARIETY OF STYLES IN HATS FOR MEN'S SPRING WEAR THAT WE CAN EASILY JUST "FIT YOUR FACE". YOUR FACE" AND YOUR HEAD.

WE ARE SHOWING THE NEWEST SPRING STYLES FOR MEN IN THE FAMOUS JOHN B. STETSON HATS—WE HAVE HATS FOR OLDER GENTLEMEN, YOUNGER GENTLEMEN AND STILL YOUNGER GENTLEMEN. WE have the Hat that will exactly suit your fancy in COLOR, SIZE AND SHAPE—We know we can do this because we have the very Newest Styles, the most Colors and the Correct Shapes, and the name "JOHN B. STETSON" guarantees the quality. Come and let us show you.

CHESTERFIELD HATS FOR MEN

We are also showing an elegant line of the famous CHESTER-FIELD Hat for men—the Newest Spring Shapes and Colors—Good, too—as good as most people care to buy. Not quite so expensive as the Stetson, but the Quality, the Style and the Shape is there—as good as any Hat you ever wore, with the possible exception of the Stetson, but even then there is room for question. But anyway— "THEY TOP OFF THE GOOD DRESSER

AND TIP OFF THE RIGHT STYLE." Ladies who are particular about their footwear, should make it a point to see our line of IRVIN DREW Oxfords for spring and summer wear. It is easily the handsomest line of fine footwear to be found in Yorkville.
